# Eilbote reaches the decison makers!

## Who are our typical readers?

**Reading matter for heads of business:** eilbote is first read at manager level. Then the same issue is studied by at least three further people in the concern. The eilbote reaches 18,100 active readers per week.*

**75 %** work in the agricultural machinery trade and associated businesses (including wholesale and retail outlets, importers, garden and communal machinery dealerships as well as those for powered tools and forestry machinery)

**20 %** are machinery owning agricultural contractors

**5 %** work in the agricultural machinery industry (including manufacturers of tractors, farm implements, equipment for use in and around the farm buildings)

* Results from Kleffmann und Partner market research

eilbote

# B2B magazine for agricultural machinery

100 %

## Target group

Paid-for subscription magazine, not an association organ, intensive utilisation and advertisement reference

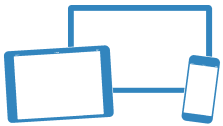
100 %

## Widespread readership

An average 4.1 readers per sold issue (18,100 active readers*)

## New every Thursday

Editorial deadline just 24 hours before printing



## Breaking news

Topical news daily on the homepage

## High topicality

The very latest on agricultural machinery, the branch, markets, taxation and business questions

## Professional editorial staff and writers

Background reports, practically-oriented machinery tests, reports on the business world

## International distribution

Throughout the entire German-language region

## Circulation

IVW 3/21: 4,740 printed, 4,592 distributed issues

* According to independent market research

**Established in the agricultural machinery branch for almost 70 years – independent, family-run.**
**Your advertising highly attractive to readership through easily read print and online formats.**
